[REDACTED] From Director of Training, dated 10
December 1963.

1. Pursuant to your request, attached is a one day briefing schedule for General and Flag Officers of the Department of Defense. Each speaker has been allotted fifty minutes for his presentation, however, fifteen minutes of this time should be devoted to a question and answer period. Since this represents an extremely tight and precise program, the speakers would have to be strictly limited to their allotted time.
